

Speed Counting

Objectives

- 1 Use the Fundamental Counting Rule
- 2 Understand factorial notation
- 3 Find permutations of objects
- 4 Find combinations of objects
- 5 Find probabilities using counting techniques

Objectives

- 1 Use the Fundamental Counting Rule
- 2 Understand factorial notation
- 3 Find permutations of objects
- 4 Find combinations of objects
- 5 Find probabilities using counting techniques

Objectives

- 1 Use the Fundamental Counting Rule
- 2 Understand factorial notation
- 3 Find permutations of objects**
- 4 Find combinations of objects
- 5 Find probabilities using counting techniques
